Computer Engineering Department, DVVPCOE, Ahilyanagar

Tech Treasure Hunt

Tech Treasure Hunt is a fast-paced, exciting Treasure Hunt conducted as part of Cognotsav 2K26. The game is hosted entirely on our platform — no shortcuts, no use of external tools during game. This event is open to students of all branches — not just technical students. Questions span across Technical Knowledge, General Knowledge, Logical Reasoning, and other interesting categories, making it a fun and inclusive challenge for everyone. Teams compete purely on knowledge, sharp thinking, and smart decision-making across two high-intensity rounds.

Theme

"Innovate, Think, Conquer"

Participants have to think creatively and outside the box to crack questions and riddles and have to apply knowledge across Technical, General, Logical, and other categories.
